Neither laboratory tests nor x-rays explained Claire's excruciating pain and debilitating fatigue. When her illness was finally diagnosed as fibromyalgia, Musickant was told, There is no known cause and no known cure. It is Musickant's own story of how she got well it confirms that others can become healthy again, too. It is important to share this story with the millions of other fibromyalgia patients who have been told they would have to cope with a lifetime of pain, fatigue and many other symptoms.
